Welcome,

It is our pleasure to welcome you to the Greater Rochester Kicking Camp. Our camp will teach the fundamental skills, as well as the more advanced aspects of kicking. We will constantly stress the importance of working together as a team. We have gathered some of the best coaches to give each camper the finest individual instruction. Each player will work closely with these coaches and benefit from their expertise.

This camp was established to teach kickers and punters how to reach their full potential. Our staff is eager to work with young kickers whose goals are to help their teams win games. Personal attention is given to each kicker from the moment our camp begins.
